Tanggung jawab manajemen atas laporan keuangan

Management's responsibility for the financial statements

Manajemen bertanggung jawab atas penyusunan dan penyajian wajar laporan pertanggungjawaban dana tersebut sesuai dengan Standar Akuntansi Keuangan di Indonesia, dan atas pengendalian internal yang dianggap perlu oleh manajemen untuk memungkinkan penyusunan laporan pertanggungjawaban dana yang bebas dari kesalahan penyajian material, baik yang disebabkan oleh kecurangan maupun kesalahan.

Management is responsible for the preparation and fair presentation of such fund accountability statement in accordance with Indonesian Financial Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of fund accountability statement that are free from material misstatement, whether due to fraud or error.

Tanggung jawab auditor

Tanggung jawab kami adalah untuk menyatakan suatu opini atas laporan pertanggungjawaban dana tersebut berdasarkan audit kami. Kami melaksanakan audit kami berdasarkan Standar Audit yang ditetapkan oleh Institut Akuntan Publik Indonesia.

Standar tersebut mengharuskan kami untuk mematuhi ketentuan etika serta merencanakan dan melaksanakan audit untuk memperoleh keyakinan memadai tentang apakah laporan pertanggungjawaban dana tersebut bebas dari kesalahan penyajian material.

Suatu audit melibatkan pelaksanaan prosedur untuk memperoleh bukti audit tentang angka-angka dan pengungkapan dalam laporan pertanggungjawaban dana. Prosedur yang dipilih bergantung pada pertimbangan auditor, termasuk penilaian atas risiko kesalahan penyajian material dalam laporan keuangan, baik yang disebabkan oleh kecurangan maupun kesalahan. Dalam melakukan penilaian risiko tersebut, auditor mempertimbangkan pengendalian internal yang relevan dengan penyusunan dan penyajian wajar laporan keuangan entitas untuk merancang prosedur audit yang tepat sesuai dengan kondisinya, tetapi bukan untuk tujuan menyatakan opini atas keefektifitasan pengendalian internal entitas. Suatu audit juga mencakup pengevaluasian atas ketepatan kebijakan akuntansi yang digunakan dan kewajaran estimasi akuntansi yang dibuat oleh manajemen, serta pengevaluasian atas penyajian laporan pertanggungjawaban secara keseluruhan.

Auditor's responsibility

Our responsibility is to express an opinion on such fund accountability statement based on our audit. We conducted our audit in accordance with Standards on Auditing established by the Indonesian Institute of Certified Public Accountants.

Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether such fund accountability statement are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the fund accountability statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the fund accountability statement.

Kami yakin bahwa bukti audit yang telah kami peroleh adalah cukup dan tepat untuk menyediakan suatu basis bagi opini audit kami.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Sebagai penjelasan pada butir B.1 Catatan atas Laporan Pertanggungjawaban Dana yang disusun dengan kas basis, yang merupakan prinsip akuntansi komprehensif yang dimodifikasi selain prinsip akuntansi yang berlaku umum di Indonesia.

As describe at point B.1 Notes to Fund Accountability Statement, accounting prepared with cash basis, which is a modified comprehensive accounting principles other than generally accepted accounting principles in Indonesia
